

All Things Glass - Virtual Teaching Artist: Chris Torrez

Class includes a kit of basic glass pieces. You will be contacted before the start of class to schedule a time to pick up your kit.

Additional optional materials will be discussed by the instructor in class.

Tools needed beyond kit:

- Glass nippers
- Elmer's white glue (or similar)
- Safety glasses

Drop Off:

This class include contactless drop off for firing. Your instructor will communicate these dates to you on the first day of class and through email.

Please contact us if you require assistance dropping off your work.
